New Town Manager David Whitlow Speaks Highly of Morehead City

Herb Phillips had the program last week. His guest speaker was Morehead City Town Manager David Whitlow. David said he applied for the city manager's job because he was attracted to Carteret County as a growing area with good schools and good health care services.

For someone who has been in Morehead for only a short time, David has a firm grasp on the city's past accomplishments and future projects. He is especially interested in revitalizing Arendell Street and the area around the waterfront. David said the city's infrastructure is superb. He was lavish in his praise for Morehead City employees. "All city employees go far beyond what is required because they care deeply for the town and its people. I am proud to work with people like that."
