"It's never too late to develop a financial plan"

Helping You Grow, Maintain and Protect Your Assets is Our Number 1 Objective

Council Renfrow had the program last week. His guest speaker was his daughter, Emily Renfrow Guthrie. Emily is a financial planner who works for Financial Resource Management (FRM) in Raleigh. Emily is also a financial commentator on WTKF, 107.1.FM Radio Station in Morehead City. She can be heard every Wednesday at 7:30 am.

Emily said FRM combines comprehensive investment strategies with a personal touch to guide clients through all the different phases of life including estate planning, retirement, accumulation of assets, and life's unexpected events. Emily said: "Our mission is to help each client create a better life by making informed decisions about retirement, taxes, investment and estate planning."

One form of investment that Emily spoke at length on was API Mutual Funds. "The ultimate goal of almost any investment strategy" she said, "is simple: to earn admirable returns with as little risk and worry as possible. While the goal may be clear-cut, the path to achieving it can often be confusing. That's why we founded API Funds and Portfolios. We have created a select family of funds using time-honored investment principles, award-winning research and the talents of some of the most prestigious names in the investment industry. So break open those piggy banks. The time to invest is NOW!

TONIGHT'S SPEAKER

Dick Rogers has the program tonight. The speaker is Steve Anderson. Steve will speak on the new Warrior Exhibit, currently on display at the History Place. Steve is a volunteer who created and built the Warrior Exhibit that pays tribute to the county's past and present servicemen and women in the Army, Navy, Marines, Air Force, Seabees and Coast Guard. It includes the identified images of many soldiers, marines and sailors from Carteret County. Museum patrons will be invited to "write in" individuals they feel has been overlooked, thus creating an additional interactive aspect to add to the exhibition.

Tonight's Speaker
Steve Anderson

The Four-Way Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
