Last Week

We were honored with the presence of Rodney Kemp, Carteret County's renowned history teacher and storyteller. He amused us with a dog story entitled "Sergeant," a recipe for whale stew, and other stories which are acknowledged below.

- "[Barbecue Blues](#)" by [Charles Kuralt](#), an American journalist widely known for his long career with CBS, first for his "On the Road" segments on The CBS Evening News with Walter Cronkite and later as the first anchor of CBS News Sunday Morning, a position he held for fifteen years.
- "[He Stopped Loving Her Today](#)" by [George Jones](#), a great American voice of country music. Some have said he should be included with other great voices such as Frank Sinatra, Louis Armstrong, Billie Holiday, and Bing Crosby.
- "[Football Story](#)" by [Andy Griffith](#), an American actor, television producer, [Southern gospel](#) singer, and writer.

[Council Grants Clubs Greater Flexibility Meeting Membership](#)

The 2016 Council on Legislation may well be remembered as one of the most progressive in Rotary history.

Not only did this Council grant clubs more freedom in determining their meeting schedule and membership, it also approved an increase in per capita dues of \$4 a year for three years. The increase will be used to enhance Rotary's website, improve online tools, and add programs and services to help clubs increase membership.

The Council is an essential element of Rotary's governance. Every three years, members from around the world gather in Chicago to consider proposed changes to the policies that govern the organization and its member clubs. Measures that are adopted take effect 1 July.

The tone for this year was set early when the RI Board put forth two proposals that increase flexibility. The first measure allows clubs to decide to vary their meeting times, whether to meet online or in person, and when to cancel a meeting, as long as they meet at least twice a month. The second allows clubs flexibility in choosing their membership rules and requirements. Both passed.
