Rotarian Norma Hall talks about Rotaract

Norma Hall visited with MHC Rotary to talk about her experience with Rotaract in PA and to discuss interest in starting a Rotaract in Morehead City. Sponsored by a regular Rotary club, Rotaract is for the ages of 18 to 30. Rotaract has several goals: promote ethical standards, foster a professional mentality, introduce a service mentality and encourage giving back to the community.

Rotaract started in 1968 right here in NC at UNC as a way to promote positive behavior other than sit-ins and riots.

The benefits of membership are many: learn social and networking skills, engage nationally and internationally with service projects and travel, learn leadership skills, participate in job shadowing, and find mentors. With 250K+ members, Rotaract is a kind of "farm club" for Rotary.

Jim presents a check to Ryan Eggleston, City Manager of Morehead City, for the flag pole and benches at Katherine Davis Park. All the improvements are expected to be complete by Memorial Day.
