MEMBERSHIP DRIVE TO RESUME APRIL 8, 1993

During the March board meeting, the directors voted to resume the membership drive that that was so successful in November. Dick Rogers, chairman of the membership drive, proposed that every member be given a membership card to be returned by May 20. Any Rotarian who does not return a completed membership card by the deadline, will be asked to donate \$10.00 to the club.

Membership cards will be distributed April 8. So begin thinking of someone to propose. The future of Morehead City Evening Rotary Club depends on you!!

A Little Courtesy Goes A Long Way

Lately several members have complained that it is difficult to hear what is being said at our meetings. The room is long and narrow and anyone seated in the rear is at a distinct disadvantage. Bad acoustics, coupled with a poor sound system, make it almost impossible to hear when everyone is talking. So enjoy your socializing until the program gets underway, then give your attention to President David and the business at hand. THANKS!!
