District Governor Says World Peace Can Be Achieved If We All Do Small Acts of Kindness

Last week's speaker was District Governor Don Atkins. Don said world peace could be achieved if everyone, especially Rotarians, do little things that benefit mankind. His comments were directly tied to this year's new slogan: Peace Through Service. Since Rotary is a world wide organization, such a dream is not impossible. Don went on to say that Rotary was the best thing that had ever happened to him.

As district governor Don has three goals this year: (1) increase membership, (2) increase membership, (3) increase membership. He also wants to hold a memorial service for deceased Rotarian to honor them for making Rotary what it is today—a premier world organization that puts service above self. Don concluded his talk by reminding us that the District Convention will be held April 27 in Wilmington at the Hilton.
