The little school that survived budget cuts.

Cape Lookout High School's Charter Renewed for 5 Years

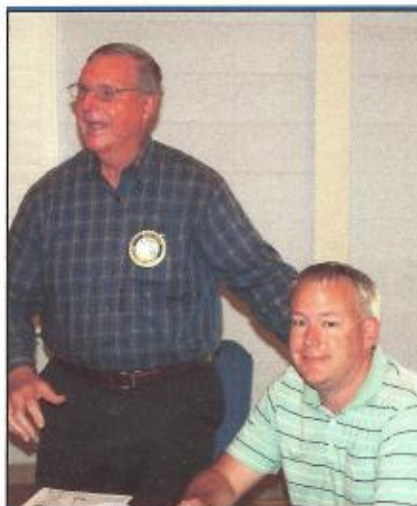

Council Renfrow had the program last week. His guest speaker was Teresa Parker, Principal of Cape Lookout High School—the only charter high school in Carteret County. Teresa explained the purpose of the school and how the school had to fight to keep its charter. Cape Lookout has an enrollment of 71 students. The State requires

a minimum of 69. The school has a small staff consisting of 10 teachers, one guidance counselor, a principal and a secretary. It follows the North Carolina Standard Curriculum, but has more room for innovation than in regular high schools.

Teresa said she depends heavily on volunteers to provide lunch and tutoring services for students. "Emily Renfrow is one of my most devoted volunteers. She is wonderful. I do not know what I would do without people like her."

Yard Sale Scheduled for Sept

The Rotary yard sale scheduled for Saturday, September 17 is fast approaching. It is time to go through your attic, garage, and closets to see what you have to donate. The sale will be held in the parking lot of Shelby Freeman's Garage on Arendell Street. The primary focus for the next three weeks will be the accumulation of items to be stored until the Big Event. You can begin bringing your yard sale items to Shelby's Garage next week. Our goal is to make \$2,000.
