District Governor Wilson Ray Visits Club

In his talk to the Morehead City Rotary Club, District Governor Wilson Ray said the better part of his day is sharing his time talking about Rotary. "We often lose sight of the impact we have on people we meet. We do not realize the influence we have in our world, much less our community. Rotary is a great organization. We are in over 200 countries and are 1,221,920 strong. An organization of this size can impact the world...and we have. There is no end to the good we can do to help people in undeveloped countries." But this year, Governor Ray would like to focus our efforts closer to home.

District Governor Wilson Ray pins this year's Rotary slogan on Stanley Harrell for recruiting a new club member. Membership is Gov. Ray's focus this year. The new slogan reads: "Rotary Shares".

He wants District 7733 to make an all out effort to involve the widows and widowers in Rotary activities. This group is often neglected. "I would like for your club to take the initiative and invite them to your meetings and social activities," he said. "Many good things are happening in your club. Just like the scholarship you gave Leigh Hawkins. But only you know it. I encourage you to let the community know about the wonderful things you do. Only you can tell the story."

The Four-Way Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?"
