## Cape Lookout High School Get New Executive Director and New Name

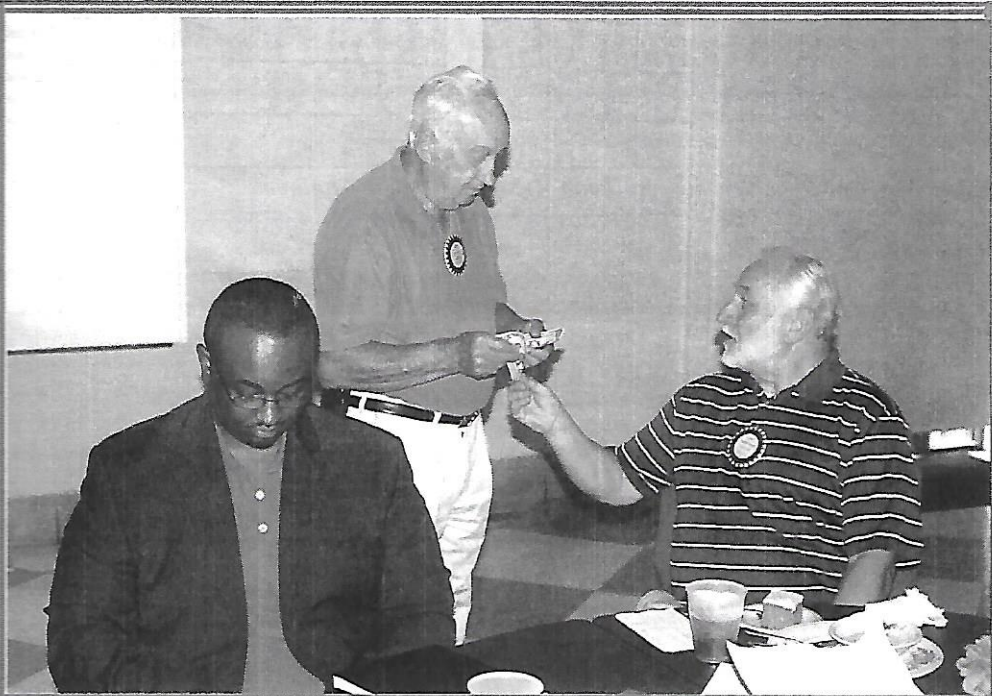

Last week's guest speaker was A.L. Fleming, the new executive director of of Coastal Academy for Technology and Science--the new name for Cape Lookout High School. The change was made to reflect the charter school's new focus on marine and applied sciences. Mr. Fleming said the school has enrolled 50 students for this fall but hopes to increase that number to 75 before school begins. Within three years, he hopes to have a maximum enrollment of 150 students. The student teacher ratio will be 15 to 1. Since Mr. Fleming was hired, the school has received a quick facelife. Rooms have been painted and there have been other minor repairs. An open house is scheduled for August 16 from 3:00-5:00 pm. There will be games and contests. Mark your calendar.
