Nine NC-Step Students Ready to Meet The Challenge at UNC-Chapel Hill

In 2006 the University of North Carolina at Chapel Hill launched the Carolina Student Transfer Excellence Program, or C-STEP, to enable more community-college students to transfer to and graduate from Carolina. Talented low- and moderate-income high school students are guaranteed eventual admission to Carolina if they enroll at one of five local community colleges. Carteret Community College has nine students ready to meet the challenge.

The Morehead City Rotary Club, sponsor of the first group of students to enroll in the C-STEP program, congratulates the students on their achievement and wishes them great success during their matriculation at North Carolina University.
