Project Christmas Cheer Underway in Carteret County

Updated: Thu 12:02 AM, Dec 03, 2015

This year more than 500 families in Carteret County will be able to put a gift under their Christmas tree, and it's all thanks to Project Christmas Cheer.

For the last 30 years, Project Christmas Cheer has been providing families in need with food assistance and gifts for their children.

The non-profit group is based out of the First United Methodist Church in Morehead City.

Families struggling this time of year must fill out an application by Friday to get their kids put on an angel tree around the county.

Already this year the group has accepted more than 500 families into their program.
