Two Weeks Ago

Darden explained how the [Carolina Student Transfer Excellence Program \(C-STEP\)](#) began and how our club was instrumental in getting the program established at our community college. He read a list of current participating colleges in the state of North Carolina.

Darden introduced Melinda Rouse, M.A.,L.P.C., C-STEP program manager and Rebecca "Jade" Smith, a former Carteret C-STEPper and 2016 graduate of UNC Chapel Hill in Communications.

Melinda told us about some of the students who have gone through this program and recognized current C-STEPers that were with us. Each of these current C-STEPers introduced themselves and acknowledged the profession they were seeking.

Jade acknowledged she is currently employed at [Lucas Research](#). She told us what the C-STEP program has meant to her and provided some guidance to current C-STEP students. A key comment in her comments to C-STEP students was, "There are many opportunities for fun and learning. Make a plan for what you want to do and choose activities accordingly. Take advantage of all the opportunities before you."
