Plans Underway to Construct an Indoor Practice Facility for West Carteret High

John Nelson had the program last week. His guest speaker was Patrick McLaughlin. Patrick is spearheading an effort to raise funds to construct an indoor facility for West Carteret High School that will allow students to practice sports indoors during the cold winter months. The cost of the project is approximately \$125,000. The group has already raised more than half the amount needed to complete the project. Patrick is appealing to all Rotary Clubs in Carteret County to make a donation so the project can be completed. President Godette will present the plan to the Board of Directors for discussion. The Board meet Tuesday, February 15 at the Captain's Table. This is an important meeting, so mark your calendar. Gerald would like to have 100% participation.

The 4-Way Test, found below, was created in 1932 by Rotarian Herbert J. Taylor and is one of the most widely quoted statements of business ethics.

The Four-Way Test

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOOD WILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Valentine's Day is Saturday. Don't Forget Flowers and Candy for your Wife, Guys!

Love Philosophy

The fountains mingle with the river,
And the rivers with the ocean;
The winds of heaven mix forever
With a sweet emotion;
Nothing in the world is single;
All things by a law divine
In another's being mingle--
Why not I with thine?

See, the mountains kiss high heaven,
And the waves clasp one another;
No sister flower could be forgiven
If it disdained its brother;
And the sunlight clasps the earth,
And the moonbeams kiss the sea;--
What are all these kissings worth,
If thou kiss not me?
