Kent Neal, President of PAWS Shares Building Plans With Rotary

Our guest speaker last week was Kent Neal . Kent is president of the Pet Adoption & Welfare Society (PAWS). Kent presented a program on the new center PAWS is constructing on Mattie Road in Morehead City. The facility will include a shelter for dogs and cats, a hydrotherapy center for injured animals, a dog park and memorial gardens.

PAWS is in the process of raising \$1.5 million for the center. Doug and Carolyn Brady donated a building on Shepherd Street which is being moved this week to the PAWS site. The Brady building will serve as administrative offices once it is reassembled and renovated. The second phase will involve the construction on the animal shelter once funds have been raised. Construction of the dog park, which will be located on the same site, can begin immediately.

Kent is hoping that Rotary will agree to sponsor the dog park. About three quarters of an acre have been set aside for the park. It would cost approximately \$30,000 to landscape and fence the park, plant trees, install water fountains, benches, agility equipment, and provide other amenities that make the park a pleasant place for owners to bring their animals.

The Board of Directors will decide Friday morning whether Rotary will accept the challenge and partner with PAWS to make the park a reality.
