## Financial Advisor Stresses Caution Before Investing During the Coming Year

David Bradley had the program last week. His guest speaker was Jim Kraft. Jim, a financial advisor for Scott and Stringfellow in Morehead City, spoke to Rotary on the economy and what may be expected if Congress does or does not approve the budget before January 1, 2013. Jim's best advice is to invest with caution. "One thing I can promise you," Jim said, "your taxes are going up next year regardless of your income level. That I can guarantee."
