Welcome District Governor Frank Toothman!

RI 2000-01 Theme:
Create Awareness
Take Action

Tonight's Program.....

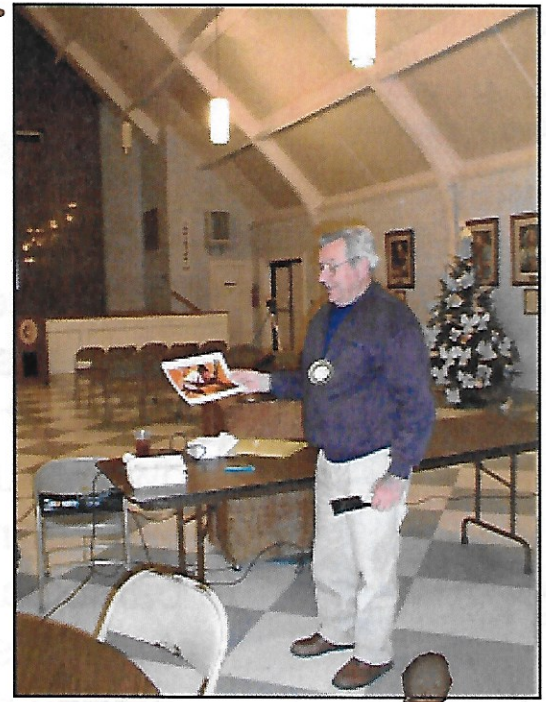

Our program tonight will feature District Governor, Frank Toothman. Let's make the District Governor feel welcome.

Last Week

Our program last week featured Joan Lamson. Joan is a volunteer with SCORE, Senior Core of Retired Executives, an organization which helps small business owners answer problems and deal with starting and running a small business. Great program, Joan.

Congratulations to Rotarian John Nelson on receiving the "Crocodile Hunter Award" at last week's meeting.

If John gets serious enough about the cable war, he may forget about Sonny and the high price of gasoline! Not!!!

AND.....

If you haven't already picked up the auction items you are responsible for, please do so right away. If you aren't sure which businesses you've been assigned, see Bet Dowty or Jean Wehrmeister. The auction is where we make our money on the dance. We need EVERYONE to participate even if you don't dance. Let's get out and make this a success so we can continue to fund the worthy projects that we are known for in our area.

Next week is the oyster roast at Calvin Wellon's house. Please let Jim Gregson know tonight if you will be there. This is not a spouse/guest night, just a regular meeting. Bring your oyster knife, wear casual clothes and come enjoy the fellowship.
Thanks, Calvin.
