## HAPPY NEW YEAR EVERYONE !!!

Another year has come and gone and a new one follows. The years are piling up, but there is still time for one long, lingering, backward glance to see how far we have come and how far we have yet to go. For many of us, the road that lies ahead is shorter than the road that lies behind. Whether the New Year will bring joy or sorrow, we cannot tell, for time moves faster than a weaver's shuttle and life is unpredictable. But there may still be time to acquire knowledge and wisdom to lead honorable lives filled with courage, kindness and compassion--lives that will hold us in good stead, not only with our Creator, but all sentient beings that inhabit the planet.

And so, we look forward to the New Year with hope and expectation for a better world where the golden rule is implanted in the hearts and minds of all humankind.

### Everyone Talks about the Weather Some People Do Something about It

Shelby Freeman was in charge of our last program. His guest speaker was Meteorologist John Cole of the National Weather Service located in Newport, NC. John has worked throughout the United States as a Warning Coordinator and Air Meteorologist. During his talk, he discussed the purpose of his agency and how it benefits the citizens of NC.

### David Hall

### Club Treasurer

It takes money to run an organization and it takes someone to collect dues, pay bills, and publish regular statements accounting for all funds received and expended. The Morehead City Rotary Club is lucky to have David Hall as club treasurer. Thank you, David, for serving in this capacity so long and faithfully. We owe you a debt of gratitude.

### Health and Happiness Report

Council Renfrow is recovering from his recent illness. He is at Cystal Bluffs in Morehead City. Council would appreciate seeing his Rotary friends. Why not stop by for a visit. You do not need an appointment. Just drop by the receptionist's desk and sign the register.
