Rollie Is Off to San Antonio, Texas

Last week's guest speaker, Rollie Edwards, Vice President of West Carteret High School FBLA Club, is representing WCHS in the Future Business Leader's of America's National Competition to be held in San Antonio, Texas, June 25.

Rollie said he had placed second in the state and was therefore eligible to represent North Carolina in national competition. "I have the support of my family and West Carteret High School. Tonight I am asking the Morehead City Rotary Club for your help as I continue to grow and develop my leadership skills. The trip costs approximately \$1,600 for

airfare, hotel, meals and miscellaneous expenses. I would appreciate any support you might be able to offer. I pledge myself to grow and continue to be a servant leader, ethical and true to my calling as a Future Business Leader you can count on and trust.

Rollie spoke to Rotary once before when he was a seventh grader at Morehead Middle School. At that time, he had been selected to attend the National Youth Leadership in Washington, D.C. to sharpen his leadership skills. He compared the training he would receive at the leadership conference as comparable to the training RYLA students receive at the Trinity Center--only on a grander scale. Rollie is consistent in his quest for opportunities to hone his leadership skills.

"Rotary has made a difference in my life. You were there when I embarked on my first leadership opportunity. I thank you for all you have done for me."

President Dave Lindsay convened the board of directors after the meeting to consider Rollie's request. The board voted to donate \$200 to help Rollie with his expenses to San Antonio. The board expressed regret that more could not be given, but the Rotary budget had already been approved for this year.
