Rotary Club Tours Morehead City Municipal Building.

“What a marvelous evening of Rotary,” said Barbara Johnson, President of the Morehead City Rotary Club. “Our tour guide at the Morehead City Hall was Daniel Williams, Director of Public Services. He was the lead in designing the new facility and we were treated to a wealth of information about the building, its design and how they pulled every detail they could from the Charles Wallace building in planning the new facility. The thought that went into the history, technology and layout was stunning.

Don't tell Jerry, but Dave checked out his seat on the dais and looked quite mayoral.

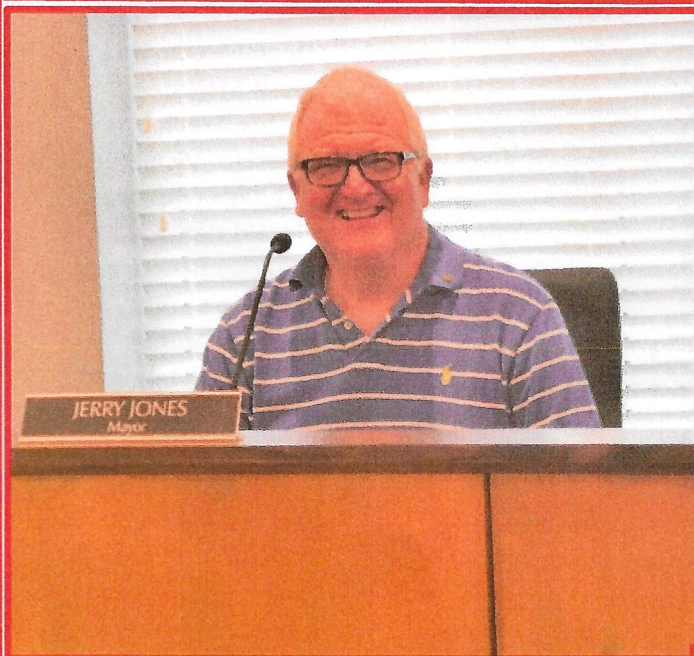

We did find out that no one in attendance was a Morehead native and half of our group don't live in Morehead. Nevertheless, the tour was impressive whether local or not.”

Daniel Williams gives up his evening to conduct tour of Municipal Bldg.
