## Steve Hellersperk Recounts Life As Power Plant Consultant Overseas

Dave Lindsay had the program last week. His guest speaker was Steve Hellersperk. Steve was born in Milenivek Poland on January 12, 1941. He came to the USA in 1945 and settled in Dallas, Pa. He received a BS in ME from Bucknell University in 1962 and shortly thereafter joined Foster Wheeler, a company that builds Boilers for Power Plants. He retired from Foster Wheeler in 2003 after 41 years of service. Most of Steve's time was spent working overseas principally in Spain, India, China, Kuwait and Iraq. He met and married wife Jacqueline in Baghdad, Iraq on June 2, 1966. Steve says his most fulfilling job was setting up grass roots offices in China, (1993-1998) and Chennai (Madras) India, 1998-2000.

Steve is also helping organize a second Toastmasters Club in Morehead City. Toastmasters is a nonprofit educational organization that operates clubs worldwide for the purpose of helping members improve their communication, public speaking and leadership skills. Through its thousands of member clubs, Toastmasters club adopts a "learn-by-doing" philosophy, wherein each member learns at a pace suitable to his or her developmental needs. The Toastmasters program is divided into two separate tracks, Communication and Leadership, with members progressing along each track by presenting speeches and taking on roles within their club, district, and Toastmasters International itself.

Membership is open to all people ages 18 and above wishing to improve their communication skills. In certain rare cases, where previous links to Toastmasters can be found, people under 18 are allowed to participate.

The new club meets Tuesday at 5:30 pm at the community college.

## Installation Banquet Scheduled June 24th At Atlantic Beach Dunes Club

President David Bradley announced that this year's installation banquet would be held at the Dunes Club June 24th beginning at 6:00 pm. Cost is expected to be \$26 per person. Guests are invited to attend. Jim Chalk was responsible for securing the beautiful setting for this special occasion.

James Walker will be installed. This is James' third tenure as president. All other officers and board members remain the same as last year with two exceptions. The office of vice-president remains vacant and Jim Gregson will replace James Walker as club secretary.

As he has so many times in the past, Tom Noe will install new officers.

James Walker said his primary goals for the coming year are to increase the size of the club and to instill in the club a greater sense of commitment and dedication to the community.

The 4-Way Test, found below, was created in 1932 by Rotarian Herbert J. Taylor and is one of the most widely quoted statements of business ethics.

### The Four-Way Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
