Julie Barker Presents Hospital's Initiative to Save 5,000,000 Lives

Jim Chalk had the program last week. He has arranged for Julie Barker, a representative for Carteret General Hospital to speak about a new program the hospital has initiated called the 5 Million Lives Campaign.

The Institute for Healthcare Improvement (IHI) is confident that the collective spirit of the people and institutions in the US health care system will rise to this challenge. Patients expect – and they surely deserve – nothing less.

Avoidable deaths are the most extreme consequence of defects in health care, but harm is another important foe – and one that tragically affects many more lives. Many harm events have lasting effects on the lives of patients and their loved ones.

For this reason, IHI and its partner organizations are going to tackle medically-induced injuries in health care. The focus of this new campaign is designed to dramatically accelerate efforts to reduce non-fatal harm, while continuing to fight needless deaths.

There are many other patient safety initiatives underway that align with IHI's objectives. As IHI launches this Campaign, it will coordinate and collaborate with other superb efforts to amplify all programs and achieve unprecedented national results.

Avoidable deaths are the most extreme consequence of defects in health care, but harm is another important foe – and one that tragically affects many more lives. Many harm events have lasting effects on the lives of patients and their loved ones.

The 5 Million Lives Campaign defines "medical harm" as: unintended physical injury resulting from or contributed to by medical care (including the absence of indicated medical treatment), that requires additional monitoring, treatment or hospitalization, or that results in death.

Change For Xmas Cheer

Don't forget to open your miser's purse and put a little loose change in the Christmas Cheer Buckets. Remember last year. We got down to the wire before there was any significant amount collected. Giving a little each week will prevent that from happening this year. Right, Bet?

Rotary Grace

O Lord and Giver of all good, we thank thee for our daily food. May Rotary friends and Rotary ways help us to serve thee all our days.

Amen
