Tony Engrassia Gives Advice on Preparing for a Worry-Free Retirement

According to Tony Engrassia, In order to retire financially secure, one must prepare during the 35- 40 years preceding retirement. Tony advice is summarized in *The Bucket Plan*, a book that distills a wealth of wisdom and information about preparing for retirement day.

The Bucket Plan is simple. Imagine three buckets. One for spending NOW. 2. One for CONSERVATIVE spending soon. 3. And one for LONG TERM growth and LEGACY SPENDING.

Allocating income into these three buckets will ensure a worry-free retirement if the plan is consistently followed.
