Robin Hamm Updates the Rotary Club on Carteret Community Theatre Activities

Many of you are curious about what is happening with the Carteret Community Theatre since the building was ravished by a Hurricane Isabell. Inside the theatre is comparable to an empty shell. There are no seats, stage curtains, nor overhead lighting. It may be several years before the theatre is restored to its original condition. I wish I could give you an exact date when the restoration will be complete, but I can't. In the meantime, the theatre actors are using other venues to perform plays for the public.

Joslyn Hall at the community college is one option. West Carteret High School is another. But won't it be great when we return to our own theatre? As Dorothy says: "There is no place like home."

Barbara introducing Guest Speaker Robin Hamm

A recent play preformed by the Carteret Community Theatre!

Jim Gregson thanks Guest Speaker Robin Hamm for bringing the Rotary Club up-to-date on community theatre activities.

Inspiring Wisdom

* Learn from other's mistakes rather than making them all yourself.

- Pick your friends, but not to pieces.
- Those who think they need love the least are the ones who need it most.
