

# ROTARY CLUB OF MOREHEAD CITY

*Serving our area in a variety of ways since 1925.*

*You are part of the tradition.*

**March 10, 2005**

## THIS WEEK'S PROGRAM....

Our program this week has been arranged by Karen Ahern. Next week, Sean Ahern is responsible for the program.

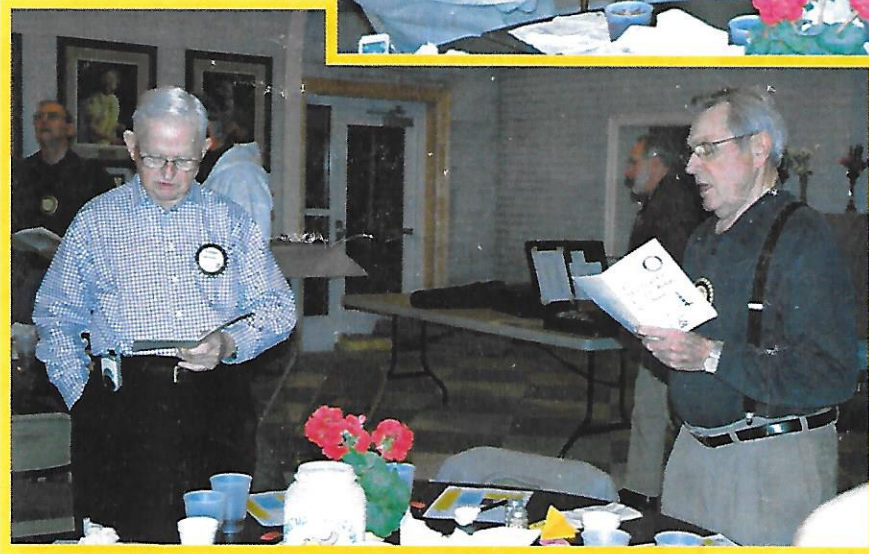

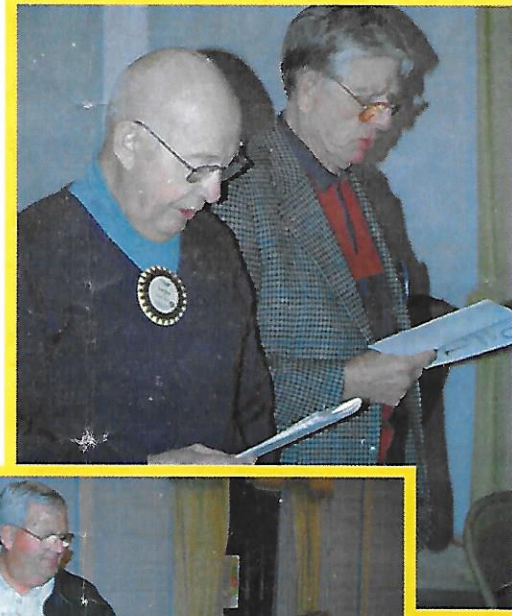

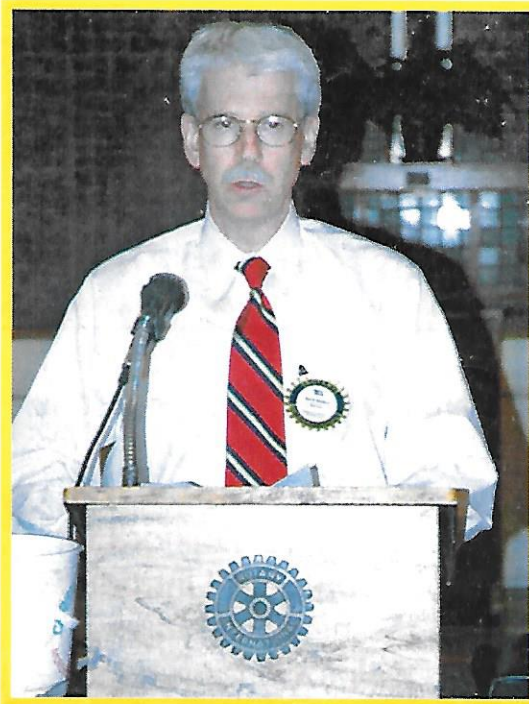

Thanks **last week** to Neil Whitford for an interesting program. Neil introduced Joanne Alpiser, the new Executive Director of the Downtown Morehead City Revitalization Association. Some of the future plans include developing a business incubator and assisting young entrepreneurs who hopefully, will then go on to expand their businesses into the downtown area possibly restoring and saving some of our empty buildings and improving the downtown area. Good luck to Joanne and the group.

As a reminder to each of you, please check the program schedule here in the bulletin (for the next week) and/or in the badge box and arrange your program ahead of time. When you have it lined up, please notify Bill Ward at 247-5734 nights or days at 727-2251 so we may put the information in the bulletin.
