## **President Eure Holds Club Service Meeting to Review Goals for 2012-13**

Last week's Rotary meeting was devoted to club service. President Eure discussed two possible fund raising events--a Rotary Garage Sale and the Belk Charity Sale. The club agreed to support both fundraisers. Gerald Godette accepted the responsibility for organizing the garage sale and Dick Rogers agreed to handle the Belk Charity Sale.

For an international project Darden suggested we think about supporting a church day care program in San Isido. Our contribution to the program would involve providing children with breakfast and lunch every day for a year. At this point Darden has no idea how much it would cost; but once he has more specific information, the club can decide if we wish to participate. The program begins February 2014.
