THIS WEEK'S PROGRAM...

Our program this week has been arranged by Neil Whitford. Neil has arranged for us to hear from Joanne Alpiser, Executive Director for the Downtown Morehead City Revitalization Association. Welcome, Joanne.

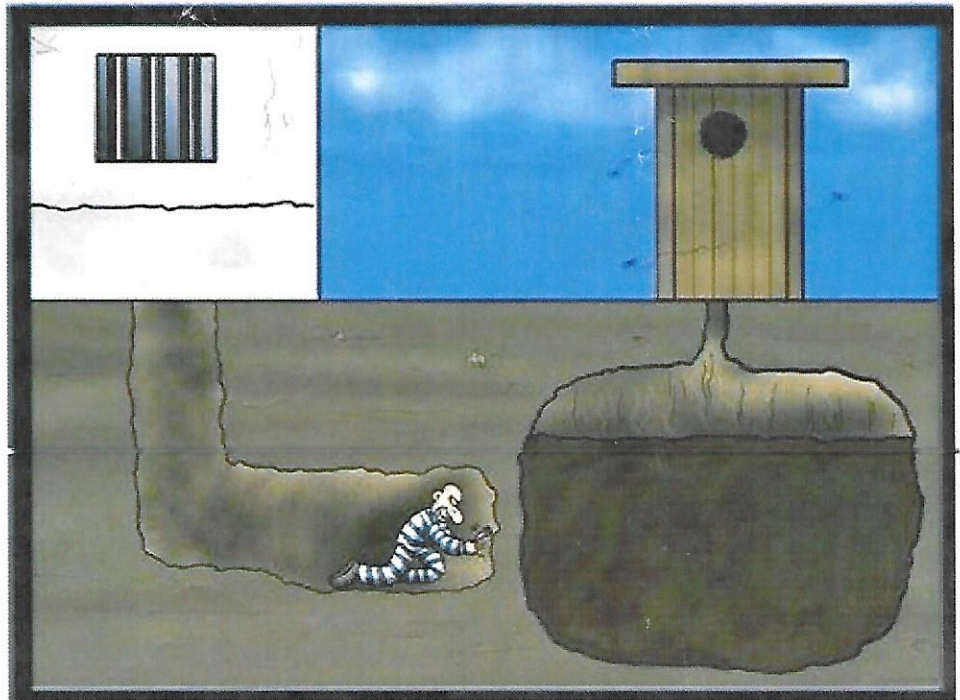

Thanks **last week** to Bet Dowty who graciously switched programs with Bill Ward. I understand that Bet gave another one of his interesting programs on bees. Thanks, Bet.

NEXT WEEK'S PROGRAM...

Karen Ahern has the program next week and Sean Ahern has it the week following.

As a reminder to each of you, please check the program schedule here in the bulletin and/or in the badge box and arrange your program ahead of time. When you have it lined up, please notify Bill Ward at 247-5734 nights or days at 727-2251 so we may put the information in the bulletin.

**You think you've had
a bad day?
Hmmm....**

District 7730.....We will "Lend A Hand"

THINGS THAT MAKE YOU GO HMMMM.....

If people from Poland are called Poles, why aren't people from Holland called Holes?

If you take an Oriental person and spin him around several times, does he become disoriented?

Do infants enjoy infancy as much as adults enjoy adultery?

When someone asks you, "A penny for your thoughts" and you put your two cents in....what happens to the other penny?

Do Lipton Tea employees take coffee breaks?

I was thinking about how people seem to read the bible a whole lot more as they get older; then it dawned on me...they're cramming for their final exam.

I thought about how mothers feed their babies with tiny little spoons and forks, so I wondered what do Chinese mothers use? Toothpicks?
