Rotary Motto: Service Above Self

Volume 2, Issue 34

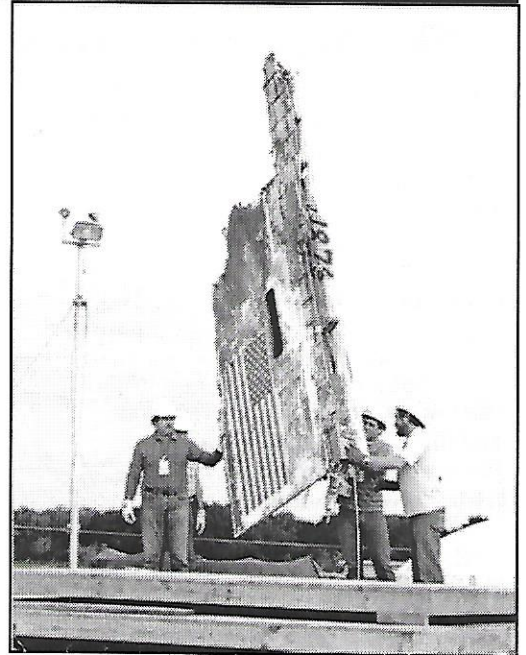

Recovering The Space Shuttle Challenger

Jim Buckingham explains the seemingly insurmountable task of recovering the remains of the space shuttle Challenger. "While the crew compartment was in relatively shallow water (50 feet) the classified cargo NASA wanted returned at all cost was scattered over hundreds of miles and in very deep water. It was truly like looking for a needle in a haystack."

Council Renfrow presents Jim Buckingham with the traditional Rotary cup for bringing the program to us last week.

One of the larger pieces of the Space Shuttle Challenger recovered from the ocean during the long recovery period. This piece is being lowered into abandoned Minuteman Missile Silos at Complex 31 on Cape Canaveral Air Force Station.

Tonight's Program

James Walker has the program tonight. His guest speaker had not been determined when the Rotary Beacon went to press.

The Four-Way Test

A Guide to Live By

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?"

Newport	Mon	6:30 pm	Rotary Building
Swansboro	Thur	1:00 pm	Rotary Civic Center
Online	Any Day	Any Time	rotaryclubone.org

Love's Philosophy

The fountains mingle with the river
And the rivers with the ocean,
The winds of heaven mix for ever
With a sweet emotion;
Nothing in the world is single,
All things by a law divine
In one another's being mingle—
Why not I with thine?

See the mountains kiss high heaven,
And the waves clasp one another;
No sister-flower would be forgiven
If it disdain'd its brother;
And the sunlight clasps the earth,
And the moonbeams kiss the sea—
What are all these kissings worth,
If thou kiss not me?

—Percy Bysshe Shelley

March Anniversary Darden & Myrna Eure Jr.

March 2
