Dee Rosen and Kathy Bernstein from MaST

Dee Rosen and Kathy Bernstein share their enthusiasm for MaST, Marine Science and Technology, our fourth public high school located on Carteret Community College's campus. There are 58 junior colleges in NC and with the addition of MaST, 57 have early college high school programs. Any eighth-grader is invited to apply in January for their freshman year at MaST. Fifty students are chosen

each year where first-generation college students are given preference in the selection process. The students have individualized programs and their progress is monitored constantly. They graduate with two years of college credit, an Associates degree or credentials for specific professional careers. Popular courses of instruction include aquaculture, marine engineering and culinary arts.

Welcome to our newest Member, Bill diPreto. Stanley gave a short history of our club beginnings in 1925 and inducted Bill into the club. Bill said that his interest in Rotary began in Mt Airy with Rotarian's he knew personally and joining Rotary is a part of his professional and spiritual journey. He likes to volunteer.

Continuing Progress

The walkway and base are now complete at Kathryn Davis Park Memorial site. The benches will be installed before Memorial Day.

Ace of Spades - \$380
Winner gets \$190
Only 38 cards left!

Happy Birthday!
