## Credit Cards Are Great But Learn How to Protect Yourself From Fraud

Milton Tripp had the program last week. His guest speaker was Gloria Lewis, a representative from BB&T. Gloria has been with BB&T for the last 38 years. During her career with the bank, Gloria has seen many changes. The biggest change over the past 38 years has resulted from computers. "When I first started in the banking business, much of the record keeping was done by hand. Now everything is automated."

Gloria gave Rotarians several tips for protecting themselves against fraud. She said one should never use a debit card when transacting business over the internet. "It is harder to have a charge taken off the card. You should also review your statement each month to verify charges. Identity theft is common these days. You do not want to become a victim. Be careful."

Barbara and Jim Chalk congratulate their son Win on his induction into the Morehead City Rotary Club.

Cherry Tripp displays her husband Melvin's new member certificate.

Bet Dowty and Marge Zukumft lend their voices to the Rotary Chorus.

### TONIGHT'S PROGRAM

Tonight is Club Service night. The meeting will be devoted to a discussion on fund raising. David Hall has prepared copies of last year's budget to serve as a guideline for preparing the budget for the 2011-2012 Rotary Year

#### The Four-Way Test
