Johnny Thompson, our President-Elect

Johnny presented the theme for next year and talked about the need to actively engage in Rotary – committing to help the club in whatever way works best for you given the challenges we all face daily. Invest your time, money or team work however you can.

Another topic surrounded Johnny's request that we all think about the direction of our club. Are we here to serve ourselves or others? What should be our goals for next year? What should be our routines? Are there things we could do differently? How do we build membership? Can we all commit to getting one new member each next year – doubling our membership? Johnny wants our feedback.

Have you completed the questionnaire? Is there a committee to which you could lend your expertise? What would make you smile or feel good to help out with? Do you have new ideas that would be helpful to Johnny? If so, speak up!

Good to have Gordon back!
