May is INTERNATIONAL SERVICE.
Chairman: Cecelia Ellis

Primary Goals set by the board are as follows:
INTERNATIONAL SERVICE:

1. Host a Youth Exchange Student.
2. Increase Foundation giving by ten percent.
3. Develop an ongoing project - HEIFER INTERNATIONAL.

PROGRAM THIS WEEK:

SURPRISE! SURPRISE!

Matt Zettl told us last week that the program was going to be a surprise. Well, Matt, we are waiting---

PROGRAM NEXT WEEK:

Julian Willis will have as his guest speaker, Roy Stevens, who will give us an update on the local port along with the International aspects of the port facilities.

PROGRAM LAST WEEK:

Shadrach Barrow had as his guest speaker Brian Henry, co-chairman of the N.C. Seafood Festival that is held on the first weekend in October on the Morehead City waterfront. Brian thanked the club for our support and help since the early beginning in 1987. At that time it was envisioned we needed to educate the public on the wide variety of seafood available in North Carolina. The festival has grown by leaps and bounds but only thru hard work and local support.

President David Bradley called the meeting to order. Bill Horton led us in prayer and the pledge was led by Jack Shotsberger. Our song leader was Stanley Harrell. He led us in the singing of "THE ROTARY BELL" and "AMERICA THE BEAUTIFUL".

HAPPY DOLLARS were collected by Bill Ryan.

LAST WEEK'S VISITING ROTARIANS were introduced by Secretary Marty as follows:
Eugene Clayborne from the Morehead Noon Club.
Tom Styron from Morehead Lookout Club.
James Payne from "New Club", South Brunswick Isle, Shallotte, NC

MEMBERSHIP DRIVE:

As the official magazine of Rotary International, THE ROTARIAN is the prime vehicle of Rotary information printed in English. More than 530,000 Rotarians and others in 156 countries subscribe to the magazine. However, a large network of regional magazines assists in the vital task of bringing official news to the nearly 1.2 million Rotarians worldwide.

In recognition of Rotary Magazine Month in April, we invited the 28 editors of the regional magazine family to share their thoughts about Rotary's world press. Although we cannot accommodate all their messages in this issue, here is a global sampling.

—THE EDITORS

THE ROTARIAN reminds me of a giant starfish, except that instead of having only five legs, it has 28—the 28 regional magazines which radiate Rotary news and information into the homes of well over half a million Rotarians throughout the world.

What a unique and effective system of communications! Every regional magazine has its own character, its own appearance, its own culture—often its own language (22 of them).

And of course, each regional magazine adds local information to the official announcements that come from Rotary World Headquarters.

So perhaps Magazine Month is worth more than a passing thought. No other organisation can boast a similar network of magazines throughout the world.

- **Deafness detection workshop.** According to the Rotary Club of Bombay, 18 percent of India's children suffer from some degree of hearing loss. To combat the problem, the club sponsors workshops on detection and prevention for other clubs in R.I. District 3140. In the workshops, Rotarians learn the causes of hearing loss and examine methods for prevention.

Is it the Truth?
Is it fair to all Concerned?
Will it build Goodwill and Better Friendships?
Will it be Beneficial to all Concerned?
