East Meets West Through Rotary's GSE Program

GSE Team from Japan Has Great Stay in Morehead City

The Group Study Exchange (GSE) program of The Rotary Foundation is a unique cultural and vocational exchange opportunity for young business and professional men and women between the ages of 25 and 40 and in the early years of their professional lives. The program provides travel grants for teams to exchange visits between paired areas in different countries. For four to six weeks, team members experience the host country's institutions and ways of life, observe their own vocations as practiced abroad, develop personal and professional relationships, and exchange ideas.

The GSE Team from Japan stayed a week in Carteret County. All Rotary Clubs in the county shared the responsibility of hosting team members. The Morehead City Evening Club hosted Kazuko Kishida, an occupational therapy teacher. Pictures of Kazuko's experiences with our club are on pages 2-3.

The Four-Way Test Guide to Live By

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?"

Words and Wisdom Of Paul Harris

Rotarians frequently ask me, "When you founded Rotary, did you think it would come to anything like this?" No, I did not in 1905 foresee a worldwide movement of 6,000 clubs and 300,000 men. When a man plants an unpromising sapling in the early spring, can he be sure that someday here will grow a mighty tree? Does he not have to reckon on rain and sun--and the smile of Providence: Once he sees the first bud--ah, then he can begin to dream of shade.
