Sea Scout Master Pat Curley

Pat Curley Introduces Sea Scout Program to MRC Rotary Club

Sea Scouts are a part of the Scout movement, with a particular emphasis on boating and other water-based activities on the sea, rivers or lakes. Sea Scouts can provide a chance to sail, cruise on boats, learn navigation, learn how to work on together. Sea Scouts often have distinctive uniforms. In some countries or Scout organizations, Sea Scouting is a program just for older Scouts. The Sea Scouts and regular scouts share many things in common. The motto “Be Prepared,” is common to both organizations.
