Nov 21, 2019 Rotary Motto: Service Above Self

Jerry Riggs – Director of Parks and Recreation MHC

Jerry Riggs updated the club on all of the many parks, facilities, programs and plans for the Department of Parks and Recreation. Parks and Rec oversees 10 parks, 15 docks, piers and water access locations, 2 athletic facilities and 2 administration buildings along with programs consisting of camps, classes, concerts and special events. They accomplish all this work with ten full-time staff.

Recovering from Hurricane Florence is still in progress. Docks and water access points especially took a hit; Dorian was kinder to our coast. For that, we are grateful.

The newest project in the works is upgrading the playground at Shevan's Park which is scheduled to be complete by May 1st. The new playground will be ADA compliant with wheelchair access. The rubberized surface will be kid "friendly". The play equipment will reflect our coastal location and history.

A dog park is in the 5-year plan – something to look forward to. The location of the future park is still under consideration.

All revenue from the parks, programs and transient docks goes into the Morehead City general fund.

Salvation Army Bell Ringing schedule is here. Sign up for a 2-hour slot on Nov 30th at Walmart or on Dec 7th at Lowe's Food. Thank David Bradley for organizing this annual give-back to the community.

Morehead City Rotary's Christmas wreath sales will benefit children's Christmas in Ocracoke and, as of last week, over \$3,000 has been raised. Wreaths will be available for pick-up from 10:00 to 2:00 on 12/07 in the Belk's parking lot. **Order before Nov 23rd.**
