2022-2023

Carolyn Evans, Chairman Emeritus tells us on the history and new things involving the Carteret Community Theatre. They have produced historical plays such as Blackbeard, the pirate. Productions ranged from comedies, tragedies, to musicals.

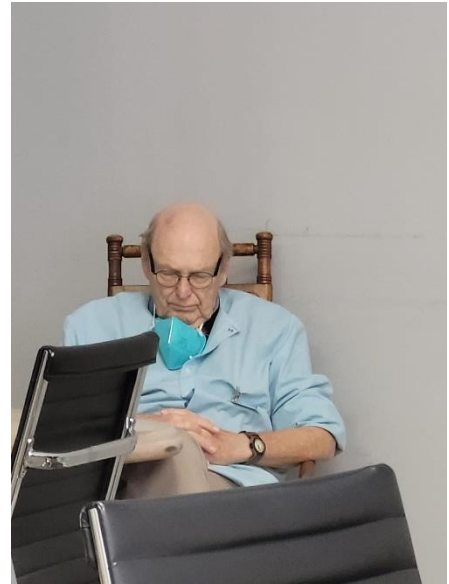

In the past 68 years, they have accomplished over 200 major productions.

The success of the theatre is attributed to the talent of the

actors/actresses and businesses and individuals who help financially whether it has been personnel providing stage facilities for rehearsals and/or productions, or behind the scene preparation. The most important thing to remember is the audience is what keeps them going strong.
