## Rodney Kemp Joins Us for Stories and a History Tale

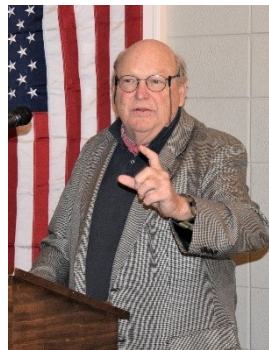

Rodney updated the Club on the status of the 1925 vintage fire truck purchased by the City of Morehead. The goal was to raise \$50,000 for the truck and the establishment of a Fire Museum which will be located in the old Fire Station #2 on Arendell. The truck has been purchased and the museum is a work in progress.

The last Heritage of the Promise Land tours for this

season will be held from 9:00 am to 4:00 pm on Saturday, October 26<sup>th</sup>.

Rodney regaled us with stories from Down East, including a funny story about a Core Creek mule and a bugle... He concluded with a reading of a story from his mother's favorite book of faith stories: a story about a young boy who refused to have his leg amputated after a bad injury. His family prayed continuously for his recovery – prayers were answered for Dwight David Eisenhower.
