Last Week

Neil Whitford told us how the Carteret County Public School Foundation, a section 501(c)3 charity, was created four years ago with a \$250,000 gift and how funds

are continuously being donated to the foundation.

A brochure was provided explaining its Mission, Focus, Board, and Funds and how funding gifts make a difference. These donations have been used for

- Student scholarships for summer science/math programs
- Robots for robotics teams
- Teacher reading and math training
- Laptops, carts, and printers
- New book collections
- Therapeutic play equipment

This Evening

Dick Rogers has arranged for David Nateman, Executive Director of the Carteret Community College Foundation to speak to us tonight. The Foundation seeks to secure private funds to support Carteret Community College. The CCC Foundation supports student scholarships, provides funds for innovative faculty and staff projects, enhances professional development, and funds equipment and capital purchases.

Dick Rogers has also invited Doris Wade to speak to us briefly about the 2015 Project Christmas Cheer with its office at the First United Methodist Church, PO Box 1914, Morehead City, NC 28557. (252) 247-7275

The four suits in a deck of playing cards -- Hearts, Diamonds, Clubs and Spades -- are more than just convenient divisions for game purposes. The symbols have a long and complex history, and each suit has acquired additional meanings over the centuries. The suit of Spades has a wealth of symbolic associations, from clarity and truth to military nobility to omens of death.
