

### What's the value of one member?

Ten little members standing in a line.  
One disliked the president, then there were nine.  
Nine ambitious members offered to work late.  
One forgot her promise, then there were eight.  
Eight creative members had ideas good as heaven.  
One lost enthusiasm, then there were seven.  
Seven loyal members got into a fix.  
They quarreled over programs, and then there were six.  
Six members remained with spirit and drive.  
One moved away, then there were five.  
Five steadfast members wished there were more.  
One became indifferent, then there were four.  
Four cheerful members who never disagree—  
Til one complained of meetings, then there were three.  
Three eager members! What do they do?  
One got discouraged, then there were two.  
Two lonely members, our rhyme is nearly done.  
One joined the bridge club, then there was one.  
One faithful member was feeling rather blue—  
Met with a neighbor, then there were two.  
Two earnest members, each enrolled one more—  
Doubling their number, and then there were four.  
Four determined members just couldn't wait—  
Til each won another, and then there were eight!  
Eight excited members signed up 16 more.  
In another six verses, there'll be a thousand twenty-four!

### October is Vocational Service Month

Our club should do something special in October for Vocational Service Month, for Vocational Service did something special for us—it brought us together in Rotary. It was through the loan of a classification that each of us came to share in the fellowship and commitment to service that marks our club. So it is only fitting that during Vocational Service Month we, as a club, pay a little something back on that loan.

Whether we organize a career night at the high school, or help send a Group Study Exchange team to the other end of the world, whatever we choose to do, we'll be letting the community know what Vocational Service means to us.
