THIS WEEK'S PROGRAM....

Tonight our club will have a CLUB ASSEMBLY. This is your chance to have direct input into club activities. Immediate things include the SEGWAY raffle sale. Have you helped any at all? The Seafood Festival is coming up and we will be selling soft drinks AND SEGWAY raffle tickets. Can you help or find someone who can help in your place? Have you proposed a new member? The club needs new blood. Think hard. You're bound to come into contact each and every day with someone who would make a good Rotarian.

LAST WEEK'S PROGRAM....

Last week, we heard from our District Governor, F.D. Rivenbark. Governor Rivenbark gave an inspiring message encouraging us to look to the future and keep Rotary alive and "Lend A Hand" to others which is our theme for the year.

As soon as you know who your program will be, let Bill Ward know so it can be announced in the bulletin. Call Bill at 727-2251 (days) or 247-5734 (nights).

It is EVERY Rotarian's duty to propose a new member!

SEAFOOD FESTIVAL SIGN-UPS

Dick Rogers and James Walker are heading up the soft drink sales this year for the NC Seafood Festival. We will be working with a group of young people and their parents from East Carteret High School under the direction of Julia Brown. Get with Jimmy or Dick to sign up for a slot. We also will be selling SEGWAY tickets that week-end and will need volunteers for that as well.

The dates are October 3rd, 4th & 5th.

District Governor Rivenbark and guests during last week's Rotary meeting.

Don't forget our SEGWAY sales project. We need volunteers each Friday, Saturday and Sunday if possible. You can even bring a family member to help. See Jim Garner for sign-up.

Have You Helped Yet? Everyone can come out even if you have to sit down and sell tickets. Let's all get involved instead of just a few.
