## Rotarians Please Welcome District Governor Magda Grillo Baggett

Our guest speaker tonight is District Governor Magda Grillo Baggett. Magda is Assistant Dean of Students for Special Programs at Methodist University in Fayetteville, NC. She has a Bachelor's degree in Sociology and a Master's degree in Human Relations, degrees which have served her well during many years as an Army wife and professional in the field of human services. She is from the "DEEP SOUTH" – born in Puerto Rico.

Magda's commitment to the community is reflected through her life-long dedication to volunteer work for a variety of service organizations locally and internationally. She was raised in the family of Rotary and, following her father's example, joined the Fayetteville Rotary Club in 1998. Magda served as Centennial Club President (2004-2005), has been District Ambassadorial Chair for 3 years and led a GSE Team to Mexico.

Together with her husband, Rotarian Dave, celebrated their 40<sup>th</sup> wedding anniversary by traveling to India in 2007 to participate in a National Immunization Day for Polio and a clean water project. In honor of their parent's involvement in Rotary, she and her brother, Rotarian Antonio Grillo-Lopez (San Diego, CA), significantly contributed to the construction of a female dormitory at the Nangarhar University in Jalalabad in an effort to advance women's education in the country. Magda is a Paul Harris Fellow, Benefactor and has received multiple awards for service within her Rotary District 7730. She is the District 7730 Governor for 2010-2011.

**Luther Tootle** reading the name of next year's president.

**Dave Lindsay**, the chosen one, checks the ballots for accuracy.

**Last week's guest speaker was Luther Tootle.** Luther discussed Carteret County's senior games which are held in April and May each year with registration starting in February. The games are dedicated to providing year-round health promotion and education for adults 55 years of age and older. The games promote healthy living and active lifestyles with community participation by setting and achieving goals in sports and arts competitions.

**Last week's guest Win Chalk** Win chalk, son of Jim Chalk, although not a member of the Morehead City Evening Rotary Club, has attended club meetings with his father since he was in elementary school.

This club has had a number of father/son members in the past. Also one father/daughter team. Perhaps the time is ripe for Win to continue that tradition. How about it Win? Ready to take the plunge?
