*Real Happiness is Helping Others...and here's a chance to prove it!!*

Hurricane Andrew has devastated tens of thousands in Southern Florida, including many Rotarians. Every member of one club in Dade County is said to have lost his/her home. Another club reports 53 of 55 homes lost in what has been termed the most devastating weather phenomenon in recorded U.S. history. These are but two examples of the many and widespread losses incurred by Rotarians in District 6990. Herein lies an immediate opportunity for *Service Above Self* - with the great added satisfaction that the recipients of our service will be Rotarians and their families. The Rotary Club of Dulles International Airport has already shown the way with a \$5000 cash donation personally delivered by a Dulles Club member on 29 August. Their outstanding act of generosity deserves our highest commendation and, I believe, emulation of their generosity. District 6990 is led by a friend of mine, District Governor Bob Menconi - the extent of destruction is almost beyond belief. If you and yours wish to contribute to this laudable humanitarian effort, please send your contribution to: Bob Menconi, District 6990 Coordinator of the operation. He is:

**The HAPPY DOLLARS, collected by Bill Ryan, were being donated to the victims of Hurricane ANDREW of Florida. As usual, we dug DEEP and came up with \$306.00. We always seem to come through in time of need and have once again earned the saying "ROTARIANS ARE KNOWN FOR THEIR GENEROSITY".**
